

I am writing to express my support for XM radios right to broadcast traffic and weather. I rely on my XM radio for my information and musical entertainment. Since purchasing my XM radio I have no interest in commercial radio. I am happy to pay with my hard earned dollars for my XM service and feel that my right to obtain information from XM and XM's right to provide that information should be irrevocable. I respectfully urge the FCC to reject NAB's petition 04-160 and to support XM's right to continue to provide me with the service which I deserve. Thank you in advance for your appropriate action,
Wayne P. Bullen, D.C., M.S.
